Attached is the CAFO rule crosswalk. The blue text denotes the only areas that changed due to the 2008 cafo rule.

The references are to our state administrative rules,

or our design manual. <http://www.ndhealth.gov/WQ/AnimalFeedingOperations/Final%20Rules/Design%20Manual.pdf>

Note that ND does not intend to adopt the No discharge certification. For CAFOs that do not discharge we will continue to permit under our state AFO permitting authority.

IF you have any questions, please let me know.
